

Life's Altering Lessons

Bucking God Will Burn You

Malachi 4

Review

Malachi is God's last plea to Israel to repent and come back to Him. Israel complains that God does not love him, and it is too hard to serve Him.

Israel's priests corrupted God's calling and left His principles, which cursed them and the people.

The people of Israel disgraced the Lord by disobeying His commands. Then to make matters worse they knew it was wrong, did it anyway, and said what they were doing was not wrong but right.

God makes another attempt to reach out to them and bring them back home, but they refuse. God also points out that Israel is robbing Him in Tithes and Offerings, but Israel denies it.
