

The Right World View
Romans 1:15-23

Everyone has a worldview. We all have certain beliefs and biases that affect the way we view all of life and reality. A worldview is like a set of lenses, which taint our vision or alter the way we perceive the world around us. Our worldview is formed by our education, our upbringing, the culture we live in, the books we read, the media and movies we absorb, etc. For many people their worldview is simply something they have developed through their upbringing without any thought or investigation.

What determines what is right and wrong for you

What determines what is good and bad for you

This determining factor is it beneficial for everyone or just you

This determining factor is it beneficial or detrimental

Wrong World View
